

F Your Love

Darin

This is my last goodbye
The writings on the wall
Wish I could go back in time
And wipe all your kisses off

Cause you werent satisfied
And you cheated on my heart
You wanted a valentine
Oh baby, this is yours
Here it goes

So now I think it's bout that time
I couldnt see them coming down my eyes
And so I had to make you cry
Here it goes

Baby, it happens to everyone
And this is the hardest part
I told you I'd never break your heart
But you wouldve never thought

I'd become your enemy
And we would break up
I know it's easier said than done
But I'm saying F your love

F your love
I'm saying F your love
F your love

You wanted to run and hide
And hang up on my calls
So I had to improvise
And put this in a song

No need to apologise
Because you did me wrong
Baby, I'm sure you'll be just fine
After I show you whos the boss
Here it goes

So now I think it's bout that time
I couldnt see them coming down my eyes
And so I had to make you cry
Here it goes

Baby, it happens to everyone
And this is the hardest part
I told you I'd never break your heart
But you wouldve never thought

I'd become your enemy
And we would break up
I know it's easier said than done
But I'm saying F your love

F your love

I'm saying F your love
F your love

So now I think it's bout that time
I couldnt see them coming down my eyes
And so I had to make you cry
And so I had to make you cry
And so I had to make you cry, here it goes

Baby, it happens to everyone
And this is the hardest part
I told you I'd never break your heart
But you wouldve never thought

I'd become your enemy
And we would break up
I know it's easier said than done
But I'm saying F your love

F your love
I'm saying F your love
F your love
