Crossroads

Darkest Hour

If I only knew why red rivers flow, Away from a life in torment, I can't conceive why a glorified lifestyle like this is so appealing, Why are there no other choices?

Why do we feel this is how we need to survive? If I only knew why death surrounds, I can't conceive your reasoning, If I only knew what will be left,

Shattered hopes and dreams, Your excuse is unacceptable, I can't relate to what you have to say
