

Are you sick of not existing?  
Does your halo just not flatter your face?  
Feel brand new in just three easy payments  
Try it free  
What it's like to be

But wait there's more!  
The sky is not the limit  
The body you have always wanted  
Let us put you in it  
Bad karma? No karma? You too can get a life  
And it's all for the low, low price of

What it's like to be human  
What it's like to be alive

No returns and no exchanges  
And of course at first you won't know what your fucking name is  
Void where prohibited or if your lover leaves  
Putrefaction guaranteed  
Just call the number on your screen, (800)

On earth as it is in heaven  
Condemned to be free  
And yes, even angels fall for legalese  
So lead us not into late night TV  
But deliver us, no CODs,

'Cause all anybody knows  
Is how the jingle goes
