It's been so long since I have touched you
I can't remember how it feels
To have your loving arms surround me
This is the pain that never heals

All my life I have been searching For someone honest just like you You left me here without a reason Every tear belongs to you

I'll be waiting 'till the sky falls down, 'till you come Around baby

I'll be waiting 'till the sky falls down, let the rain Come down

I'll be waiting 'till the sky falls down, 'till you come Around baby

All I need is one good answer To understand why you are gone Everything reminds me of you Without you I can't go on

I'll be waiting 'till the sky falls down, 'till you come Around baby

I'll be waiting 'till the sky falls down, let the rain Come down

I'll be waiting 'till the sky falls down, 'till you come Around baby
