

# Till The Sky Falls Down

Dash Berlin

It's been so long since i have touched you  
I can't remember how it feels  
To have you loving arms around me  
This is the pain i've never healed

All my live i have been searching  
For someone honest just like you  
You left me here without a reason  
Every tear belongs to you

I'll be waiting till the sky falls down  
Till you come around, baby  
I'll be waiting till the sky falls down  
Let the rain clouds come

I'll be waiting till the sky falls down  
Till you come around, baby

All i need is one good answer  
To understand why you were gone  
Everything reminds me of you  
Without you i can't go on

I'll be waiting till the sky falls down  
Till you come around, baby  
I'll be waiting till the sky falls down  
Let the rain clouds come

I'll be waiting till the sky falls down  
Let the rain clouds come

I'll be waiting till the sky falls down  
Till you come around, baby
