Till The Sky Falls Down

Dash Berlin

It's been so long since i have touched you
I can't remember how it feels
To have you loving arms around me
This is the pain i've never healed

All my live i have been searching For someone honest just like you You left me here without a reason Every tear belongs to you

I'll be waiting till the sky falls down
Till you come around, baby
I'll be waiting till the sky falls down
Let the rain clouds come

I'll be waiting till the sky falls down Till you come around, baby

All i need is one good answer To understand why you were gone Everything reminds me of you Without you i can't go on

I'll be waiting till the sky falls down
Till you come around, baby
I'll be waiting till the sky falls down
Let the rain clouds come

I'll be waiting till the sky falls down Let the rain clouds come

I'll be waiting till the sky falls down Till you come around, baby
