

Screaming Infidelities

Dashboard Confessional

I'm missing your bed
I never sleep
Avoiding the spots where we'd have to speak
And this bottle of beast is taking me home

I'm cuddling close
To blankets and sheets
But you're not alone and you're not discreet
You make sure I know who's taking you home

I'm reading your note over again
There is not a word that I comprehend
Except when you signed it
"I will love you always and forever"

As for now I'm gonna hear the saddest songs
And sit alone and wonder, how you're making out
And as for me I wish that I was anywhere
With anyone making out

I'm missing your laugh
How did it break?
And when did your eyes begin to look fake?
I hope you're as happy as your pretending

I'm cuddling close
To play it to cheats
'N I am alone, in my defeat
I wish I knew you were safely at home

I'm missing your bed
I never sleep
Avoiding the spots where we'd have to sleep
And this bottle of beast is taking me home

As for now I'm gonna hear the saddest songs
And sit alone and wonder, how you're making out
And as for me I wish that I was anywhere
With anyone making out

Your hair, it's everywhere
Screaming infidelities and taking its wear
Your hair, it's everywhere
Screaming infidelities and taking its wear

Your hair, it's everywhere
Screaming infidelities and taking its wear
Your hair, it's everywhere
Screaming infidelities and taking its wear
