

Crashed

Daughtry

Well I was movin at the speed of sound
Head spinnin couldn't find my way around
and Didn't know that I was goin' down Yeahh, Yeahh
Where I been, well its all a blurr
What I was lookin' for, I'm not sure
Too late and didn't see you coming Yeahh, Yeahh

Then I crashed into you
and I went up in flames

Could've been the death of me
But then you breathed your breath in me
Then I crashed into you
like a runaway train

You will consume me
Well, I can't walk away

Some how I couldn't stop myself
Just wanted to know how it felt
Too strong I couldn't hold on Yeahh, Yeahh
Now I'm just tryin to make some sense
Out of how and why this happened
Where were headed, there's just no knowin Yeahh, Yeahh

Then I crashed into you
and I went up in flames

Could've been the death of me
But then you breathed your breath in me
Then I crashed into you
like a runaway train

You will consume me
Well, I can't walk away

Your face, your eyes
are burnin to me
You save me, you gave me
Just what I need
ohh, just what I need

Then I crashed into you
and I went up in flames

Could've been the death of me
But then you breathed your breath in me
Then I crashed into you
like a runaway train

You will consume me
Well, I can't walk away

Then I crashed into you (x3)
Like a runaway train

You will consume me
But I can't walk away
