

Blind Love

Dave Alvin

Now you're gone, and it's hotels and whiskey and sad-
luck dames
And I don't care if they miss me, cause I never
remember their names
They say if you get far enough away, you'll be on your
way back home
Well, I'm down at the station, but I can't get on the
train

It Must be blind love, the only kind of love is stone
blind love
It must Blind love, the only kind of love is stone
blind love
It must be blind love, the olny kind of love is, stone
blind love
It's blind love, Stoned blind love

Now the street's turning blue, the dogs are barking and
the night has come
And the tears are falling baby from your blue eyes now
Well I wonder where you are and I whisper your name
The only way to find you baby is if I close my eyes

But I'll find you with my blind love, its the only kind
of love, stone blind love
I'll find you with my blind love
I'll find you with my stone blind love
Its must be blind love, the only kind of love is stone
blind love
Blind love, Stone blind love

Blind love, the only kind of love is, stone blind love
Blind love, I'll find you with my stone blind love
Yea Blind love, the only kind of love is stone blind
love
Must be blind love, stone blind love
