

One More Mile

Dave Dudley

One more mile, one more detour
That's the way goes tears and smiles
I may miss you and I may wish that I have stayed
But I'll be moving it one more mile

And then one more I gotta keep moving
I was born a traveling child
It's my way and it's the nature of my mind
I gotta keep dogging it one more mile

Storms won't stop me, wind won't do it
A little rough ride that fits my style
When the sun sets in the window of your world
I'll be dragging it one more mile

And then one more I gotta keep moving
I was born a traveling child
It's my way and it's the nature of my mind
I gotta keep dogging it one more mile
(One more mile)

One more mile, one more detour
That's the way goes tears and smiles
I may miss you and I may wish that I have stayed
But I'll be moving it one more mile
