

We Gonna Make It (mama E's Song)

Dave Hollister

Hey, baby lift your head up it's going to be alright
Whatever the problem, whatever the situation
We can work it out together, you feel me?
'Cause I'm here for you girl always

No matter what it is your going through
We gonna make it, we gonna make it
You can count on me to pull you through
We gonna make it, we gonna make it

I know that you think your going through hard times
But keep your head up 'cause it will be alright
Whatever the problem together we'll solve them
'Cause I'm here for you like you always been for me, please believe

No matter what it is your going through
We gonna make it, we gonna make it
You can count on me to pull you through
We gonna make it, we gonna make it

Now haven't I told you that I would write for you
Don't you worry no, ain't no limit to how far I'll go
Said, I'll never leave you 'cause I believe in you
No matter the weather we'll always be together 'cause

I'll be here, I'll always be right here
Whenever you need you need me to be
Right by your side just you and I
Baby I love you for the rest of my life

No matter what it is your going through
We gonna make it, we gonna make it
You can count on me to pull you through
We gonna make it, we gonna make it

You can count on me, count on me
You can count on me, count on me

No matter what it is your going through
We gonna make it, we gonna make it
You can count on me to pull you through
We gonna make it, we gonna make it

No matter what it is your going through
We gonna make it, we gonna make it
You can count on me to pull you through
We gonna make it, we gonna make it
