

# World In Changes

Dave Mason

Things could be lazy  
If they weren't so crazy  
And I wasn't following you  
Running in circles  
Won't find me no purpose  
It's right here with you and what I do

Changes of season  
Aren't nearly as pleasing  
As watching the changes in you  
Turn for in new day  
In search of a new way  
But are you sure that it will do

World in changes still going through  
I've got a lot to learn about you  
World in changes still coming through  
You've got a lot to learn about me too  
You've got a lot to learn about me too

I said the world nearly see  
What you really mean to me  
I'll tell the truth cause I can't pretend  
Find yourself a real friend  
And then you nearly reach the end  
Of all of this runnin' round we do

World in changes still going through  
I've got a lot to learn about you  
World in changes still coming through  
You've got a lot to learn about me too  
You've got a lot to learn about me too
