

Can't Stop

Dave Matthews Band

Love you, 'cause I can't stop
I need you, 'cause it won't stop
Love you 'cause I can't stop
Don't wana thank you but it won't stop
I'm like a junkie for you baby
I've tripped, I've fallen in to this not beautiful,
but beautiful
I've found myself in a beautiful place but, I know that I will lose my soul
So hungry, you make me so hungry
you make me so hungry, you make me surrender
I'm cold like a junkie for you
I burn just like a junkie for you baby

I Love you, 'cause I can't stop
I need you, 'cause it won't stop
Don't want to thank you but I, but I
can't stop
You know that I wana leave you
Oh but, it won't stop

I'm like a junkie for you, baby...

Let them sleep, let them stay sleeping
Let them sleep, let them stay
late night, deep water
Deep fire, you burn
so hungry, you make me so hungry
You make me so hungry
You make me I surrender

I'm cold like a junkie
You know I burn like a junkie for you, baby

I love you, 'cause I can't stop
You know I need you, 'cause it won't stop
You know I don't wana have you
But I, but I can't stop
I wana love you, but it won't stop

I'm like a junkie for you, baby

Love you, won't stop
No I don't wana need you, but I can't stop
Don't wana have you but I, but I
Can't stop
Know I'd love to leave you, but it won't stop

I'm like a junkie for you, baby
Love you
You know I love you
'Cause I can't stop
Know I need you
'Cause it won't stop
Love you
'Cause I Can't stop
Won't stop
Can't stop
