Cry Freedom

Dave Matthews Band

How can I turn away Brother/Sister go dancing Through my head Human as to human The future is no place To place your better days

Cry freedom cry
From a crowd 10,000 wide
Hope laid upon hope
That this crowd will not subside
Let this flag burn to dust
And a new a fair design be raised
While we wait head in hands
Hands in prayer
And fall into a dreamless sleep again
And we wave our hands

Hands and feet are all alike But gold between divide us Hands and feet are all alike But fear between divide us All slip away

There was a window and by it stood
A mirror in which
He could see himself
He thought of something
Something he had never had but hoped would come along
Cry freedom, cry
From deep inside
Where we are all confined
While we wave hands in fire
Wave our hands

Hands and feet are all alike But gold between divide us Hands and feet are all alike But fear between divide us, Slip away In this room stood a little child And in this room this little child She would remain Until someone might decide To dance this little child Across this hall Into a cold, dark, space Where she might never trace her way across this crooked mile Across this crooked page Cry freedom, cry From deep inside where We are all confined Till we wave our hands

How can I turn away Brother/Sister go dancing Through my head Human as to human
The future is no place
To place your better days

Hands and feet are all alike
But gold between divide us
Hands and feet are all alike
But fear between divide us
Hands and feet are all alike
Hear what I say
Oh, so be it

How can I turn away Brother/Sister go dancing Through my head Human as to human The future is no place To place your better days
