

Halloween

Dave Matthews Band

Hey little dreamer's eyes open and staring up at me
Oh little lonely eyes open and radiant

Wait until I come and I will steal you
Wait until I come I'll take your soul
Wait until I come and I will steal you
Wait until I come and I won't go

Darlin' dreamin in the night
Shadows on the windows
Lead oh and everyone go
Well leave me on the night
I will give you lightning
I will not relinquish light

Oh little dreamer eyes open and raving here

Wait until I come and see you little girl
When we come I'll leave with you too
When we come I'll let you come low

Hey we'll leave it all behind
Oh and then the nightmares
I'll fill them in good time
Oh they will seat your mind
When the light hits
And you maybe'll ask me

Why do you run around here
Why do you come inside of me
Why does it rip me out in dream
Why then why then watch this little fuck

Going away

Why this lonely
Why this lonely
Why this lonely love

Why this lonely
Why this lonely
Why this lonely love

Halloween
Carry on
Bury all
Bury all
Bury all
Bury all
Bury all

And in this dream
Tell us are you satisfied with fucking

Don't walk away
Don't walk away
Don't walk away

I'm talking to you

Love is hell

Love is hell

Love is hell

Love this I'll tame you

Love

Love

Love

Love this not me here

Love

Love

Love

Love him up to you
