

Isn't it strange
How we move our lives for another day
Like skipping a beat
What if a great wave should wash us all away
Just thinking out loud

Don't mean to dwell on this dying thing
But looking at my blood
It's alive right now
Deep and sweet within
Pouring through our veins

Intoxicate moving wine to tears
Drinking it deep
Then an evening spent dancing
It's you and me

This love will open our world
From the dark side we can see a glow of something bright
There's much more than we see here
Don't burn the day away,
Don't burn the day
Don't burn the day

Is this not enough
This blessed sip of life
Is it not enough
Staring down at the ground
Oh then complain and pray more from above
Greedy little pig
Stop just watch your world trickle away
Oh it's your problem now
It'll all be dead and gone in a few short years

Just love will open our eyes
Just love will put the hope back in our minds
Much more than we could ever know, oh so
Don't burn the day, away
Don't burn the day, away

Come sister my brother
Shake up your bones shake up your feet
I'm saying open up
And let the rain come pouring in
Wash out this tired notion
That the best is yet to come
But while you're dancing on the ground
Don't think of when you're gone
Love love love what more is there
Cuz we need the light of love in here
Don't beat your head
Dry your eyes
Let the love in there
There are bad times
But that's ok
Just look for love in it
And don't burn the day, away

Look
Here are we
On this starry night staring into space
And I must say
I feel as small as dust
Lying down here

What point could there be troubling
Head down wondering what will become of me
Why concern what we cannot see
But no reason to abandon it
The time is short, time that's all right
Maybe I'll go out in the middle of the night
Take your hands from your eyes, my love
All good things must come to an end some time
Don't burn the day, away
Don't burn the day, away

Come sister my brother
Shake up your bones shake up your feet
I'm saying open up
And let the rain come flooding in
Wash out this tired notion
That the best is yet to come
But while you're dancing on the ground
Don't think of when you're gone
Love love love what more is there
Cuz we need the light of love in here
Don't beat your head
Dry your eyes
Let the love in there
There are bad times
Well that's ok
Just look for love in here
Just let the love in there
