

The Last Stop

Dave Matthews Band

Fire the sun is well asleep
Moon is high above
Fire grows from the east
How is this
Hate so deep
Lead us all so blindly killing killing
Fools we are
If hate's the gate to peace
This is the last stop
For raining tears
War
The only way to peace
I don't fall for that
Raining tears
You're righteous, so righteous
You're always so right
Go ahead and dream
Go ahead believe that you are the chosen one
Raining tears
Oh no
Gracious even God
Bloodied the cross
Your sins are washed enough
Mother's cry
"Is hate so deep
Must a baby's bones
This hungry fire feed?"
As smoke clouds roll in
The symphony of death
This is the last stop
Scream
Right is wrong now
Shut up you big lie
This black and white lie
You comb your hair to hide
Your lying eyes
You're righteous, so righteous
You're always so right
But why your lie
Go ahead and dream
Go ahead believe that you are the chosen one
This is the last stop
Here there's more than is showing up
Hope that we can break it down
It's not so black and white
You're righteous
You're righteous
You're righteous
You're always so right
There you are nailing a good tree
Then say forgive me, forgive me
Why
Raining tears
This is the last stop
Here there is more than is showing up
Hope that we can break it down
It's not so black and white
