

Cry For Me

David Bisbal

You whisper in my ear
All the things I wanna hear
You say you're sorry and you can change
If I give you one more chance

But I've heard it all before
You can't hurt me anymore
All the lying and all the pain
Now there's nothing left to break

I know what you're feeling
Don't it hurt now
I hope it hurts so bad

Cry
I wanna see the tears in your eyes
For me
You've thrown it all away
There's nothing you can say
Just cry
For me
Cry for me
Cry for me

I've cried so many nights
With you lying by my side
And was so lonely in love with you
Now I feel like such a fool

But my tears have all run dry
Now I need to see you cry
For all that you have put me through
It's all coming back to you

Yes, I know
What you're feeling
Don't it hurt now
I hope it hurts so bad

Cry
I wanna see the tears in your eyes
For me
You've thrown it all away
There's nothing you can say
Just cry
For me
Cry for me
Cry for me

I gave it all to you, baby
Again and again and again
I want it back now
I hope it hurts
I really hope it hurts you now
So cry for me

You've thrown it all away

There's nothing you can say
Just cry
For me
Cry for me
