Now that he has
no sense of destination
Now he's running for the love of speed
When the child goes bad
it's no cause for celebration
Like Jimmy Dean he don't talk back to me

Failures as fathers, Mothers to chaos
No baby, no baby, no baby no

CHORUS

Hallo humans
can you feel me thinking
I assume you're seeing everything I'm thinking
Hallo humans nothing starts tomorrow
I'm the baby now

Baby (repeat to end of chorus)
(getting)
(care)
(talking)
(well)
(thinking)
(walk)
(lost)
(found)
Baby Universe
Baby Universe
Baby Universal
(Talking well)
(Talking well)

A speck of dust
just settled in my eye
It doesn't matter
I've seen everything anyway

Failures as fathers, Mothers to chaos
No baby, no baby, no baby no

CHORUS

Baby (repeat to end of chorus)

(getting)

(care)
