

The Last Note Of Freedom

David Coverdale

Here I am, burnin' man,
Singing the song of my open soul.
Will time pass me?
All my dreams a heaven knows.

I don't want to be cheated,
I can't go on, in a world where love is beaten.

Rise up burnin' man,
See is the white taken man.
Days of thunder see me shine,
All my dreams turn out fine.

I know the suffering will end, my friend,
When the last note of freedom is rung throughout the land.
I know the hateful will burn,
When the last note of freedom is heard throughout the land.

I know the fear of dying,
Heard it from a meltdown blast.
I know that lord have mercy,
It soon will pass.
I know it.
I don't want to be cheated,
I can't go on, in a world where love is beaten,
Where love is defeated.

I know the suffering will end, my friend,
When the last note of freedom is rung throughout the land.
I know the hateful will burn,
When the last note of freedom is heard throughout the land.

I know the fear of dying,
Heard it from a meltdown blast.
I know that lord have mercy,
It soon will pass.

We need love.
We gotta want it so bad.
We need it now,
So run to it fast.

I know it,
And the world will be cheated.
I can't go on, in a world where love is defeated.
I know it.
I don't want to be cheated,
I can't go on, in a world where love is defeated.

No, no, no, no, no, no, no.
Where love is defeated.
Can't go on, in a world where love's defeated.
No, no, no, no, no, no, no.
No, no, no, no, no, no, no.
The last note of freedom.
