

# Shyboy

David Lee Roth

ow, oh  
Ah yeah, ow

On the stage I'm in a rage  
But you I never fool  
Well I can rock with anyone  
But never alone with you

Somethin' starts a boilin'  
Now deep inside of me  
I need aggressive women  
To knock me off my feet

Shyboy, shyboy  
Shyboy, shyboy  
Shyboy, shyboy, give it one more time boy  
Shyboy, shyboy  
Shyboy, shyboy  
Shyboy, shyboy, give it one more time boy

Ooh, you make me nervous  
More than I had planned  
Would you wanna know me  
If I wasn't in the band?

Crazy feelings  
Deep inside of me  
I need a wild woman  
To knock me off my feet

Shyboy, shyboy  
Shyboy, shyboy  
Shyboy, shyboy, give it one more time boy  
Shyboy, shyboy  
Shyboy, shyboy  
Shyboy, shyboy, give it one more time boy

Gotta keep things moving  
Till my personality starts improving

Ow, shyboy, shyboy  
Shyboy, shyboy  
Shyboy, shyboy, give it one more time boy  
Shyboy, shyboy  
Shyboy, shyboy  
Shyboy, shyboy, give it one more time boy

Gotta keep things moving  
Till my personality starts improving

Shyboy, shyboy  
Shyboy, shyboy  
Shyboy, shyboy, give it one more time boy  
Shyboy, shyboy  
Shyboy, shyboy  
Shyboy, shyboy, give it one more time boy

Wow
