

# Wake Up

Dawn Richard

Don't wake me up  
Don't wake me up  
Don't wake me up  
I've been dreaming of you  
In this club, pouring this shot for me and you  
Don't wake me up  
Don't wake me up  
Don't wake me up  
Don't wake me up  
Don't wake me up  
Don't wake me up

Don't know if you know that its real  
But I know what, what I would feel  
I need you to walk into the light  
Them nightmares will drain you  
There's life in my embrace

Cause I like the way you are  
Run along my fingers on you  
Like my guitar  
Touching you is like playing my favorite song  
Tuesday we here and then it's over  
This time we on

Don't wake me up  
I've been dreaming of you  
In this club, pouring this shot for me and you  
Don't wake me up  
Don't wake me up  
Pouring this shot for me and you  
Don't wake me up

We are lovers  
Then we're through  
There is nothing we can do  
It's all for you  
It's all for you  
Don't wake me up

Don't wake me up  
I've been dreaming of you  
In this club, pouring this shot for me and you  
Don't wake me up  
Don't wake me up  
In this club  
Don't wake me up, Pouring this shot  
Don't wake me up, Pouring this shot
