The world can't do me no harm [do me no harm]
Time's I've been wounded [uh huh]
My battle scars do show [well, well, well]
I'm going through the storm
I'm blind in rain, I'm goin' on in jesus' name
Lord, I got victory [hallelujah]
Over the enemy [glory, glory]
And the world, it can't do me no harm
[do me no harm]
