

Big Brother Beat

De La Soul

Ha ha ha ha
Ha, ha ha ha ha
Ha! Ha ha ha ha
Ah-ha ha ha, ah-ha ha ha ha, ha!!

Now this goes out to all area clicks
Centralized and way out in the sticks
Remember to keep the De La/De La/Native Tongue
in the mix
Just like log cabin syrup my sound is game thick
Now this goes out to all area clicks
From manicured lawns to projects bricks/bricks/from 718 to the 51-6
Remember to keep the Mos Def/Native Tongue in the mix
Straight butter hits, drop as a good as it gets/gets/straight butter hits

Now, come on y'all, get live get down
What we have is a brand new sound
So don't none of y'all just be misled
The De La's gonna do the body good like wheat bread

Shakin laces out of shoes, Mos Def bought the brews
Sittin indian squats to make that red tie knots
See I'm out to get the core like in them Rainbow Pops
Swingin life like a hammock, invested like stocks

Via sinus complex, I aims to clog it up
Snappin by the pain as a crew hear the gain
We remain on your mind like skulls, not a golem
I'ma show it in the house all perimeters are blown

Native Tongue come through to make you say yes yes
This is the body Mos Def style fresh like baby breath

We are the killer combination with the size to administer
the beatdown to swell up all three of your eyes

Now check it out, and ya don't stop
We got the big brother beat, ya don't stop

I don't bug out I chill, don't be actin ill
No trick in ninety-six, Native Tongue gon build
But we be easy on the cut, no mistakes allowed
Cause to me, MC mean, make it clean
When I speak on groups and I'm smooth like gabba D
Tryin to hang out with Dove and catch love in Aberdine (word up)
I bag dimes like my man born on August 17
Life be nuttin but a river son I'm swimmin upstream

Playin wait up, with the data servin your ears
with information due to confirmation of the nation's most
wicked ways of livin, like them glassy eyed beans
Inhale to smoke the fiends, while bangin a table
Rated at the high point of the mass
Rippin MC's at the top of a class, occasionally
rippin some sucker's face
Or some suckable ass from a girl
It's a big brother beat for the wide wide world

I'm makin memos off these demos back in eighty-nine
Took you all on encounters of an unknown kind (right)
Did the hustle with a couple of us, but soon noted
That my niggaz buttered Benedict rolls, and then voted
I wrote in the dark so I could feel it like braille (uh-huh)
Heard the big brother beat, got locked with no bail
Came to set like equators invented, with the heat
Yo Mos Def how you radiate to make it complete

RIGHT, so when I shine the light crabs wince
Manifestin for the future here in the present tense
No doubt, I love the sound biggin out off your Jeeps
Son I want the little kids bangin big brother beats

We straight butter hits, we straight butter hits
Perfecta, perfecta
Word up
