

## A Prayer

De/Vision

Once I had a dream before I woke up  
When I try to walk I fall asleep  
Don't know where I'm going to,  
I don't even know where I have been  
But still I try to realize the truth  
That I have seen

So I pray  
Please, help me, please  
Please, help me, please  
Please, help me, please  
Please, help me, please

Reveal the precious spell of every moment  
Inhale the flow of life in every second  
Rely upon the spirit that you hide  
Behind a lie  
I will keep on trying till the day  
That I die

And I pray  
Please, help me, please  
Please, help me, please  
Please, help me, please  
Please, help me, please

Take my fear away  
Don't lead me astray  
Take my fear away  
Don't lead me astray

Please, help me, please  
Please, help me, please  
Please, help me, please  
Please, help me, please

Help me to stay on this road and  
Don't lead me astray
