

From Father To Son

De/Vision

Let me tell you something, i just sat here thinking about your comments. i'll fucking tell you anything i wanna tell ya; if you were in front of me right now i'd smack ya. don't tell me about a hard day, cause you don't even know what a hard day is you little fuck! don't you ever talk to me that way again. and when you learn how to apologize, you call me back. goodbye!
