

# Heart Of Stone

De/Vision

I never thought I find my way  
Out of yesterday  
Time really passed me by  
But now I need to concentrate  
On the steps I take  
I try, I fail, I try  
Now I'm searching in my memory, in my memory  
For the man I used to be  
I'm searching in my memory, in my memory  
For the man I want to see

A heart of stone  
Unhappy soul  
Believe me, it doesn't hurt  
My god he said  
Don't be afraid  
Don't you cry  
cause it won't be heard

I hope I'll ever find my way  
Out of nowadays  
My time is standing still  
I guess I only celebrate  
Every move I make  
We're aching for the thrill

Now I'm searching in my memory, in my memory  
For the boy I used to be  
I'm searching in my memory, in my memory  
For the boy I feel in me
