Rotted bones turn in earth: while eye almighty gazes
Sealed behind its lid
bound by triangular coffin.

Rotted bones turn in the earth beetles crawl undivine tissue

Soil shifts by movement remnant seeks another ---

A predator's decayed wing decorates foreign torso A lion's claws, old horns of ox & a manlike face rises monstrous

Rafael, Sandalfon, Michael, Uriel: fourfold immortality rid of life Debased in mortal graves In a shameful uprising rejoined

Fourfold immortality rid of life, fourfold renunciation of fourfold blasphemy of death.

Denying their father once holy: on arbitrary anatomy This hideous mass rises to replace
