Hagar:Sylvester Stallone:Clint Eastwood. It's so important we've

fences for those prison camps they call "homelands." And who's
going to
give it to them? WE ARE! Every one of us! Everytime we go to the bank.
Everytime we buy food at Theftway. Or those fancy chrome wheels
for your
hot car. It's USA FOR SOUTH AFRICA!

do without those diamonds? You heard the White House:DON'T MISS IT! Have
you're rich parents' money ready, world hunger's gone forever once your
