

Temple Of Love

DeadLock

Oh, temple of love

In the temple of love you hide together
Believing pain and fear outside
But someone near you rides the weather
And the tears he cried will rain on walls

As wide as lovers eyes

In the temple of love, shine like thunder
In the temple of love, cry like rain
In the temple of love, hear my calling
In the temple of love, hear my name

With the sunlight died and night above me
With a gun for a lover and a shot for the pain inside

You run for cover in the temple of love
You run for another it's all the same
For the wind will blow
And throw your walls aside

With the fire from the fireworks up above
With a gun for a lover and a shot for the pain
You run for cover in the temple of love
I shine like thunder cry like rain

And the temple of love grows old and strong
But the wind blows longer cold and long
And the temple of love will fall before
This black wind calls my name to you no more

Oh, temple of love

In the black sky thunder sweeping
Underground and over water
Sounds of crying weeping will not save
Your faith for bricks and dreams for mortar

All your prayers must seem as nothing
Ninety-six below the wave
When stone is dust
And only air remains

In the temple of love, shine like thunder
In the temple of love, cry like rain
In the temple of love, hear my calling
And the temple of love is falling down
