Oh, temple of love

In the temple of love you hide together Believing pain and fear outside But someone near you rides the weather And the tears he cried will rain on walls

As wide as lovers eyes

In the temple of love, shine like thunder In the temple of love, cry like rain In the temple of love, hear my calling In the temple of love, hear my name

With the sunlight died and night above me With a gun for a lover and a shot for the pain inside

You run for cover in the temple of love You run for another it's all the same For the wind will blow And throw your walls aside

With the fire from the fireworks up above With a gun for a lover and a shot for the pain You run for cover in the temple of love I shine like thunder cry like rain

And the temple of love grows old and strong But the wind blows longer cold and long And the temple of love will fall before This black wind calls my name to you no more

Oh, temple of love

In the black sky thunder sweeping Underground and over water Sounds of crying weeping will not save Your faith for bricks and dreams for mortar

All your prayers must seem as nothing Ninety-six below the wave When stone is dust And only air remains

In the temple of love, shine like thunder In the temple of love, cry like rain In the temple of love, hear my calling And the temple of love is falling down
