

By the Time I Get to Phoenix

Dean Martin

By the time I get to Phoenix
She'll find the note I left hanging on her door
She'll laugh when she reads the part that says I'm leaving
'Cause I've left that gal so many times before

By the time I make Albuquerque she'll be working
She'll probably stop at lunch and give me a call
But she'll just hear that phone keep on ringing
Off the wall, that's all

By the time I make Oklahoma she'll be sleeping
She'll turn softly, call my name out low
And she'll cry just to think I'd really leave her
Though time and time I've tried to tell her so
She just didn't know I would really go
