

Go Go Go Go

Dean Martin

(Go go go go)
Come on and dance with me
(Go go go go)
In to a trance with me
(Go go go go)
And try romance with me
Don't stop, don't stop, go go go go

(Go go go go)
The music's bright tonight
(Go go go go)
And hold me tight tonight
(Go go go go)
I fell so right tonight
Don't stop, don't stop, go go go go

This heart of mine is beating overtime
It's four leaf clover time
(It's love) It's love, it's love, it's love
(Go go go go)
And swing me round the floor
(Go go go go)
And kiss me more and more
(Go go go go)
What are we waiting for
Don't stop, don't stop, go go go go go go
Go go go go
