Dean Martin

Mimi  
You funny good for nothing Mimi  
Am I the guy for Mimi  
You little honey of a Mimi  
I'm aiming high  
Mimi you got me sad and dreamy  
You could free me if you'd see me Mimi  
You know I'd like to have a little of some Mimi by and by

Oh Mimi you got me sad and dreamy  
You could free me if you'd see me Mimi  
You know I'd like to have a little some  
Of Mimi  
By and by
