

# Money Is A Problem

Dean Martin

Money is a problem is a problem  
A problem on the rich can comprehend  
If money is a problem is a problem  
I wish I had  
A couple of problems to spend

If I just had a little bit of time to spare  
I could form a society for the protection of the poor unhappy m  
illionaires

(Money is a problem is a problem)  
A Texan begins to learn it when he's two  
(Money gets you in a spot just once you start without)  
(And you cannot buy another person's heart with it)  
So how come them that has it hates to part with it  
Money is a problem (Is a problem)  
But say the word and I'll gladly trade problems with you

(You would) Like that

If I were a millionaire (If you were a millionaire)  
I'd buy me a couple of yachts real quick and keep one as a spar  
e  
If I had a lot of loot (If you had a lot of loot)  
I'd find me a tailor to whip me up a platinum pin-striped suit  
He who steals my purse steals trash the wise men say  
But that's 'cause wise men ain't got nothing anyway

(Money is a problem)  
(A problem that only wealthy folks pursue)  
(We know from where you stand a million bucks is fine)  
(But too much gold can burn you just like too much sun)  
I don't want to be a millionaire  
I just want to live like one

Money is a problem is a problem  
And any millionaire will tell you it's true  
Boo hoo  
And any millionaire will tell you it's true
