

Ruby Tuesday

Deana Carter

She would never say where she came from
Yesterday, don't matter when it's gone
While the sun is bright or in the darkest night
No one knows, she comes and goes

Goodbye, ruby Tuesday
Who could hang a name on you?
When you smile with every new day
Still I'm gonna miss you

Don't question why she needs to be so free
She'll tell you it's the only way to be
She just can't be chained to a life where nothings gained
And nothings lost at such a cost

"There's no time to lose", I heard her say
Catch your dreams before they slip away
Dying all the time, lose your dreams
And you will lose your mind, ain't life unkind?

Goodbye, ruby Tuesday
Who could hang a name on you?
When you smile with every new day
Still I'm gonna miss you
