

# The Noose

Death Angel

Glorify  
Your heart replaced by wealth  
Compromise  
You lost all sense of self  
Mesmerize  
You're numb to what you've done  
Scarred your daughter  
Bastardized you son

You're the reason - Face Me  
They let go. Lost all hope.  
Oppressor  
Killing Season - Face Me  
You must know you will go  
Defector

Crystalize  
The Blood within your veins  
Crucify  
all Idols you have shamed  
vilify  
The ones who speak the truth  
A day will come when you will wear THE NOOSE

You're the reason - Face Me  
They let go. Lost all hope.  
Oppressor  
Killing Season - Face Me  
You must know you will go  
Defector
