Death By Stereo

what the fuck?!
what the fuck were you thinking?
Pull the wool over, cover my eyes
with your false truths and you blatant lies
see complacement stares
through controlling eyes
pull the wool over, cover my eyes

enforcing all your rules through policemen and tv you are the worlds greatest artist schoolbooks are you tapestry woven intertwining hate controlled by your ministry i hold the scissors in my hand cut the fabric, make you bleed

pull the wool over, cover my eyes
we are the ones that make you weak
pull the wool over, cover my eyes
you sick infection a disease
pull the wool over, cover my eyes
i want to see you on your knees
pull the wool over, cover my eyes
false idols, cheap thrills, fucking sleaze

Paint a pretty picture, you control the weak you sell your lies, your drugs, your hate you sell us our own agony put yourself in another man's shoes remember what its like to be the one who hates you the one who wants to see you bleed

pull the wool over, cover my eyes
we are the ones who make you weak
pull the wool over, cover my eyes
i will not let you poison me
no sex, no drugs, no sir, not me
pull the wool over, cover my eyes
priests, politicians, and cops
