

# I Break Mirrors With My Face In The United States

Death Grips

I break mirrors with my face in the United States  
I break mirrors with my face in the United States  
I break mirrors with my face in the United States  
I break mirrors with my face in the United States  
I break mirrors with my face in the United States  
I break mirrors with my face in the United States

I break mirrors with my face in the United States  
I break mirrors with my face in the United States  
I break mirrors with my face in the United States

I break mirrors with my face in the United States  
Everything rigged at this place it's not me  
Don't break my concentration with those thoughts baby  
I don't care about real life  
I don't care about real life life life life life life...

I break mirrors with my face in the United States  
I break mirrors with my face in the United States  
I break mirrors with my face in the United States  
Everything rigged at this place it's not me  
Don't break my concentration with those thoughts baby  
I don't care about real life  
I don't care about real life (life life life life...)

Say, say, say, say  
Feel just like I look to you (you)  
Gawk at me all you see is you (you)  
Anyday trip (trip) mayday trip (trip)  
Can't break my face i'm in a state trip (trip trip trip trip...)  
(I don't care about real life)

Feel just like I look to you (you)  
Gawk at me all you see is you (you)  
Anyday trip (trip) mayday trip (trip)  
Can't break my face i'm in a state trip (trip trip trip trip...)  
(trip trip trip trip trip trip trip trip...)  
(trip) (say) (trip) (say) (trip) (say) (trip) (say)

Spit on you spit on me  
All we know spit must be us  
Spit fits us we spit and sniff  
We sniff and clutch each other's fate  
I don't care about real life  
I don't care about real life  
I break mirrors with my face in the United States  
I break mirrors with my face in the United States

(face face face)  
I don't care about real life  
(face face face)  
I don't care about real life  
(face face face)  
I break mirrors with my face in the United States  
I break mirrors with my face in the United States  
I break mirrors with my face in the United States

Say, say, say, say  
Too many mirrors share my face (face)  
Can't braille which mirrors my mistake (take)  
Too many mirrors wear my face (face)  
These broken mirrors take my place (place place place place...)  
I don't care about real life (place place place place...)  
Too many mirrors share my face  
Can't braille which mirrors my mistake  
I break mirrors with my face in the United States  
I break mirrors with my face in the United States (place place)
