

Through little streets  
With little minds  
Switzerland  
Steps out of time  
With cuckoo clocks and cuckoo minds  
Ku Ku Ku Baby - "Get in line!"

Their banks are filled  
With nazi gold  
But Death In June's banned  
I've been told

Douglas P's banned  
In Lausanne  
That fair city in Switzerland  
That clean needle in junkyland
