

Virtue to Vice

Deathstars

These secrets Ill bring to you
Are of thorns and ice

Hush.

Dont tell them nothing, not a word

Hush

Dont tell them nothing, not a single thing that Ive said to you

Hear all my secrets

Tell all the lies

Hear all my secrets

Tell all the fucking lies!

Can you hear it scream?

Deep deep inside

Hush

Now listen carefully, here it comes

Hush

Its what I keep inside, this is the crime that Ive tried to hide

Hear all my secrets

Tell all the lies

Hear all my secrets

Tell all the fucking lies!

Can you hear it scream?

Deep deep inside

Envy...Sloth...Gluttony...Wrath...Pride...Lust...Greed

These secrets Ill bring to you

Are of thorns and ice

These secrets Ill give to you

Will turn virtue to vice

These secrets Ill bring to you

(These secrets Ill bring to you)

Are of thorns and ice

(Are of thorns and ice)

These secrets Ill give to you

(These secrets Ill give to you)

Will turn virtue to vice

(Will turn virtue to vice!)

Can you hear it scream?

Deep deep inside

Ill tell you only once
