3 Riff Hit

Debauchery

We bring the music We bring the pain We are crazy and bloodstained We hit your club There is no escape We want your blood And some bitches to rape Drinking fuckin' beer Totally drunken Go bang your head Start fuckin' jumping I don't need no progressive shit. All I need is a 3 Riff Hit Electric quitars will scream I'm drinking some Jim Beam The beat is loud A girl sucks my standing proud No we are no fucked up progressive band Straight Heavy Metal for that we make a stand No shitheads, no fuckin' lies No Hip Hop or do you wanna die I don't need no progressive shit All I need is a 3 Riff Hit.
