

Animal Holocaust

Debauchery

We torture them for our own god!
Ripping their skin off!
Feeding on small animals!
Ripping off their genitals!
High price special goat!
The elephant dead for bones!
Pain to wolves and hounds!
The cat hailed to a desk!
We want only our best!
Low price meat!
Discounter wants it!
No value on animal life, that's it!

Animal holocaust!
Animal holocaust!
Animal holocaust!
Animal holocaust!
Holocaust!
Holocaust!
Holocaust!
Holocaust!
Holocaust!
Holocaust!
Holocaust!
Holocaust!

They sit in their own shit!
Heat, no water, it makes me sick!
1000 miles of torture and pain!
To kill them for meat!
And personal gain!
Motherfucked up industry!
Mechanized mass murder hypocrisy!
A life lost, a soul tormented!
Meat in a package, that's the end!
A billion chickens living in hell!
A life for the meat grinder!
Then the axes fell!
A body dissected and dismembered!
Not a single life remembered!

Animal holocaust!
Animal holocaust!
Animal holocaust!
Animal holocaust!
Holocaust!
Holocaust!
Holocaust!
Holocaust!
Holocaust!
Holocaust!
Holocaust!
Holocaust!

Motherfucking meat!
Is motherfucking murder!

They are killed for food and culture!
Bulls slaughtered!
Idiots watching like vultures!
A toreto has some retarded fans!
The swan has to die to feed the fat man!
First class food, a sign of taste!
To feed on sharks, kangaroos!
And animal waste!
Or killing young seals or bears!
Another million dead in a few years!
A billion chickens living in hell!
A life for the meat grinder!
Then the axes fell!
A body dissected and dismembered!
Not a single life remembered!

Animal holocaust!
Animal holocaust!
Animal holocaust!
Animal holocaust!
Holocaust!
Holocaust!
Holocaust!
Holocaust!
Holocaust!
Holocaust!
Holocaust!
Holocaust!

Motherfucking meat!
Is motherfucking murder!
