

# La la

Debbi

I don't know where this will take me  
But I know I know I I I know I hope all  
I don't know if this is new sun breaking  
But I know I know I've got to keep on I hope all

You can talk a bout, you can scream a shout  
But I don't care, whatever you say, all I hear is

La la, la la la (all you hear is) 3x  
All I hear is  
La la, la la la (all you hear is) 3x  
Not to my eyes

Hearing thing when my heart's beating  
Cause I know I know I've got to stay on, I've got to stay on  
Giving dam, you're not believing, just get:  
„I told you once, I told you a thousand times the boy ain't no good for you  
!“

You can say it loud, joining with the crowd  
But I don't care, what you share, all I hear is

La la, la la la (all you hear is) 3x  
All I hear is  
La la, la la la (all you hear is) 3x  
Not to my eyes

The say that it's wrong, but I don't know that song  
Wooh, oh oh, wooh, oh oh  
All the sensors are gone, cause it's turning me on  
Wooh, oh oh, wooh, oh oh

Would you feel bad, would you feel bad  
Don't you feel, can you feel bad  
Can you feel bad, can you feel  
I can feel that, I can feel that and it's real

La la, la la la (all you hear is) 3x  
All I hear is  
La la, la la la (all you hear is) 3x  
Not to my eyes

La la, la la la (all you hear is) 3x  
All I hear is  
La la, la la la (all you hear is) 3x  
Not to my eyes
