

# Dancin' In My Mind

Debbie Gibson

Feelings carry away with me  
Till I tremble no more  
Music makes lovers of all of us  
Out on the floor  
Oh, I don't know you too well  
And we don't have much time  
But whenever you cross my mind

We'll be dancin' like we did that summer  
When no boundaries kept us confined  
We'll be intimately dancin' in my mind

I wish I had many lives  
At least more than this one  
Then I could deeply feel and learn  
To love everyone  
No, I just can't up and leave  
Everything behind  
But still you have touched my life

And I'll be dancin' like we did that summer  
When no boundaries kept us confined  
We'll be intimately dancin' in my mind

You feel lovely  
You're just what I need right now

Do do doo da doo

Dancin' like we did that summer  
When no boundaries kept us confined  
We'll be intimately dancin' in my mind
