

# Shake Your Love

Debbie Gibson

Shake your love  
I just can't shake your love  
Shake your love  
I just can't shake your love  
Shake your love  
I just can't shake...  
Shake your love  
I just can't shake your love

I'm under a spell again  
Boy I'm wondering why  
This is not a game of love but an emotional tie  
I'm trying to figure out my heart (heart...)  
But I can't offer you proof  
Of why we should never be apart  
And that is the (that is the) that is the truth  
Oh...

Shake your love  
I just can't shake your love  
Shake your love  
I just can't shake your love  
Shake your love  
I just can't shake your love  
Shake your love  
I just can't shake your love

Do you know why I stop and stare  
And smile when you walk by  
And how I call you up at night  
I hang up the phone and I cry  
If I never got to know you so well (I knew you well)  
Maybe I would be fine  
Baby you know that I can't tell  
Why you should be (you should be) you should be mine oh

Shake your love  
I just can't shake your love  
Shake your love  
I just can't shake your love  
Shake your love  
I just can't shake...  
Shake your love  
I just can't shake your love

Ooh I know what you're thinking  
I see it in your eyes  
You want to give our love another try  
I'm so glad you realize I can't...

Shake your love  
I just can't shake your love  
Shake your love  
I just can't shake your love  
Shake your love  
I just can't shake your love  
Shake your love

I just can't shake your love

Shake it  
Your love  
Can't shake  
Just can't shake your love

Shake your love  
I just can't shake your love  
Shake your love  
I just can't shake your love  
Shake your love  
I just can't shake...  
Shake your love  
I just can't shake your love

Shake your love  
Shake your love  
I just can't shake your love  
Shake your love  
I just can't shake..(say shake it)  
Shake your love  
I just can't shake your love

Shake your love  
I just can't shake...  
Shake your love  
I just can't shake your love  
Shake your love  
I just can't shake...  
Shake your love  
I just can't shake your love
