

Nobody's Supposed To Be Here

Deborah Cox

How did you get here? Nobodys supposed to be here
I've tried that love thing for the last time
My heart says no, no, nobodys supposed to be here
but you came along and changed my mind

I've spent all my life on search to find
the love who'll stay for eternity
the heaven sent to fulfill my needs
But when i turn around
again love has knocked me down
my heart got broken oh, it hurt so bad
i'm sad to say "Love wins again"

So i placed my heart under lock and key
to take some time and take care of me
but i turn around an you re atanding here

How did you get here? Nobodys supposed to be here
I've tried that love thing for the last time
My heart says no, no, nobodys supposed to be here
but you came along and changed my mind

This time i swear im though but if only you knew
how many times i've said those words
Then fall again, when will i ever learn?
knowing these tears i cry this lovely black butterfly
must take a chance and spread my wigs
love can myke you do some crazy things

so i placed my heart under lock and key
to take some time and take care of me
but i turn around and you re standing here

How did you get, how did you get here?
nobodys supposed to be here
Nobody, no, no, no, no, no, no, no, no, no

How did you get here? Nobodys supposed to be here
I've tried that love thing for the last time
My heart says no, no, nobodys supposed to be here
but you came along and changed my mind

How did you get here? Nobodys supposed to be here
I've tried that love thing for the last time
My heart says no, no, nobodys supposed to be here
but you came along and changed my mind
