

Falling Through Time

Deep Insight

I've been waiting for this time,
I've been searching for my life
and I found it when I first met you.
Do you know why it is so,
that when we break we take all the pieces
and hide them.
We hide them from ourselves
so deep down that we can never find them.
Maybe now you can see that I'm alive
cause I live...

Today not tomorrow
I'm falling through time without wings.
today not tomorrow
I finally see your holding me.

I've been making these mistakes,
but I know that its okay and nothing can keep me away from my maker.
Do you know why it is so,
that when we break we take all the pieces
and hide them.
We hide them from ourselves
so deep down that we can never find them.
Maybe now you can see that I'm alive
cause I live...

Today not tomorrow
I'm falling through time without wings.
today not tomorrow
I finally see your holding me.

Waiting by the riverbank
waiting for a certain someone to show me the way.

Waiting by the riverbank
waiting for a certain someone to show me the way.

Waiting by the riverbank
waiting for a certain someone to show me the way.

Waiting by the riverbank
waiting for a certain someone to show me the way.

Today not tomorrow
I'm falling through time without wings.
today not tomorrow
I finally see your holding me.
