

Change (In the House of Flies)

Deftones

I watched you change
Into a fly
I looked away
You were on fire

I watched a change in you
It's like you never had wings
Now you feel so alive
I've watched you change

I took you home
Set you on the glass
I pulled off your wings
Then I laughed

I watched a change in you
It's like you never had wings
Now you feel so alive
I've watched you change
It's like you never had wings

I look at the cross
Then I look away
give you the gun
blow me away

I watched a change in you
It's like you never had wings
Now you feel so alive
I've watched you change

Now you feel you feel alive
You feel alive
You feel alive
I've watched you change
It's like you never had wings

You Changed
You Changed
You Changed
