

# My Own Summer

Deftones

Hey you, big star, tell me when it's over

Hey you, big mood, guide me to shelter  
Cause I'm through when the two hits the six and it's summer

Cloud

Come (shove it) (3x)  
Shove (shove it) (3x)  
The sun (shove it) (3x)  
Aside (shove it aside)

I think god is moving it's tongue  
There's no crowd in the streets  
And no sun in my own summer

The shade is a tool, a device, a savior  
See, i try and look up to the sky  
But my eyes burn

Come (shove it) (3x)  
Shove (shove it) (3x)  
The sun (shove it) (3x)  
Aside (shove it aside)
